## Dedication

This year's report is dedicated to a life-long citizen of Rindge and a 10 year employee of the Town of Rindge, **Amy Raymond**.

Amy was born in Winchendon, Massachusetts but lived in Rindge most of her life. Amy has touched many lives throughout the community as the Red Cross liaison, as well as the representative for the Salvation Army and a United Way volunteer. Amy demonstrates compassion for those in need and is always a helpful addition to anyone's day that stops by the Town Office.

Amy is a charter member in the Rindge Historical Society, and someone who seems to know just about everyone and everything that has happened here during her lifetime. Amy is also an original member of the Pumpkin Organization of Rindge (POOR). She was instrumental in

organizing the annual Memorial Day parade, and the placement of flags and ornamentation at the cemetery, and was recently awarded the **1998 Rindge Citizen of the Year**.

Amy also serves as the secretary to the Board of Selectmen and Town Administrator for the Town. Recently, she informed us that she is retiring in late March. She has been an asset, and she will be missed. Her shoes will not be easily filled, but we wish Amy the best in her retirement and all the things she will be doing in her "spare" time.

Amy, we thank you for all of your years of dedicated service to the Town of Rindge.

From all of us.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$1,990,899.00 as posted, which represents the operating budget for the year 1998. Said sum does not include special or individual articles addressed. (Submitted by the Selectmen) (Recommended by the Selectmen and a Majority of the Budget Advisory Committee)

Article 3: Presented by Scott Douglas, seconded. After a brief explanation about the 3.7% increase by Mr. Douglas, John Wheeler commented that the Budget Committee was in agreement.

After much discussion, Mr. Tower called for the vote on the motion.

The motion passed by voice vote.

ARTICLE 4: To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk, and reports of all agents, committees and officers heretofore chosen.

Article 4: Presented by Scott Douglas, seconded.

Before voting on this article, Mr. Douglas presented one of three proclamations to Robert G.Lapointe for his 26 years of service to the Rindge Fire Department. Benson Walen then presented a proclamation to Sergeant Frank DiRusso for his 23 years of service on the Rindge Police Department. Michael Whitney presented the final proclamation to Jeanne Cunningham for her 8 years of service to the Town of Rindge as administrative Assistant and for her involvement with community projects such as P.O.O.R. and the Rindge Chamber of Commerce. The people in attendance gave a great round of applause in appreciation for their dedication and service.

A request from Daniel Whitney to take a vote from the floor on how many would like to have the Annual Meeting back on Tuesday Night.

To go back to Tuesday ---- 69      Saturday Meeting-- -24

This vote is only advisory to the Selectmen who by Ballot Vote at the 1997 elections, were given the right to choose when the annual meeting would take place. They will take all this information under advisement.

Continuation of Article 4.

Article 4: Mr. Tower called for the vote on the motion on the floor.

Article 4 passed by voice vote.

ARTICLE 5: To see if the Town will vote to appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose (Highway Equipment) the sum of One Hundred Nineteen Thousand Dollars (\$119,000) for the purpose of purchasing a 4 X 4 Backhoe, a One Ton Dump Truck & Plow, and a Chipper. (Submitted by the Highway Department) (Recommended by the Selectmen and a Majority of the Budget Advisory Committee)

Article 5: Presented by Michael Whitney, seconded.

After some discussion, a motion to move the question passed by voice vote.

Article 5 then passed by voice vote.

Article 18: A petition article, Dave Collum spokes person for petitioners presented this article, seconded. Robert Cleland of Budget Committee said that the committee thinks this is a worthwhile cause and concurs with the petitioners. Anita Call from Home Health Care answered questions from the floor.

Article 18 then passed by voice vote.

ARTICLE 19: To see if the Town will vote to hold a public hearing to review the Town's contract with Municipal Resources Inc. (MRI) to determine whether the contract should be allowed to run to completion in view of MRI's failure to provide a candidate acceptable to the Board of Selectmen and who would serve as an identifiable Town Administrator. The Town previously voted to a trial of Town Administrator. (Submitted by Petition)

Article 19: A petition article was presented by Mrs. Nottingham one of the petitioners. Mrs. Nottingham made a motion to take no action on this article. Steve Griffin of MRI, explained that adds have been placed in national magazines and a regional magazine. A profile is in the works with input from a citizen's committee, the town staff and the selectmen. The citizen's committee will also pick the final applicants that will be presented to the selectmen.

ARTICLE 20: To take up any other matter that may properly come before this meeting. Debra DiTommaso asked how can we get the Town Annual Report uncensored. Scott Douglas answered that the report in question was inappropriate to be in the Annual Town Report and was deleted. Mrs. DiTommaso responded it was not for them to decide, it was for the townspeople to read and to make their own decision.

Ottoway Marshall complained that if a property is jointly owned then any report, any mailing label should show both owners.

Al Lefevbre commented that reports from each department should pertain to the town and that department. He also asked for a raise of hands from the floor as to whether they would like to have the

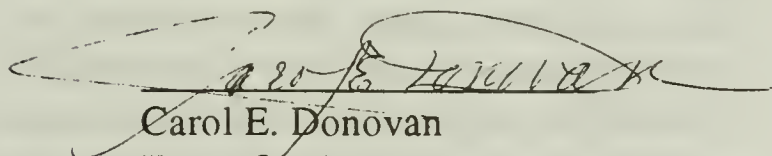

report mailed. There was applause.

Mrs. Walen also spoke in agreement about listing all owners of property.

There being no further discussion, a motion was made from the floor to adjourn.

Motion passed by voice vote. The meeting adjourned at 12:20 p.m.

Respectfully submitted,

## Report of The Selectmen

January 14, 1999

During the past five years, the Town of Rindge has developed and grown in many ways. There have been renovations and additions to our buildings to support that growth, a study of the operation of town government and the subsequent contract for a Town Administrator. There have been changes in policy, procedure and personnel. The year 1998 has seen the continuation of that process with some projects coming to fruition and the planting of seeds for others.

Among the projects coming to fruition was the end of our contract with Municipal Resources, Inc. (MRI) and the hiring of our own full-time Town Administrator. We welcome Mr. Carl E. Weber, and his wife Amanda, to our community and wish them both well as Carl takes on the task of managing our business and improving the operation of town government. Among the seeds planted has been the continuation of the process started by MRI, that is, continuous review and improvement of policies and procedures that affect the way we do business.

Our goal is to make government more responsive and less costly to better serve the needs of the Town. To do that, we must go back to the MRI contract for a reference point. Before we had an Administrator on contract, the Board of Selectmen spent a lot of time handling detail work. Paying so much attention to those details detracted from the Board's ability to manage, set policy, or think forward beyond the next meeting or next budget. When the Town approved the hiring of a Contract Administrator, the Board spent quite a bit of time negotiating the details of the contract before it was signed. We wanted to be sure that the Town

got not only what it wanted, but also what it needed without unnecessary cost or risk. We also needed to be sure that the contract did not put us in a position that would require expensive changes or fixes in future years. From our viewpoint, we succeeded very well. We hope you are equally satisfied as well.

While we did have our ups and downs with MRI, and while there was a turnover of Administrators, the contract was successful in that an Administrator was always here and working for our best interests. Through the Administrator, we hired a negotiator and began negotiations with the Police Union. Through the Administrator, we started to change the way we do business, both internally and with the public. 1997 was the first year that budget preparation was handled in a totally different way. Department heads prepared their budgets without considering pay or benefits issues. The Administrator prepared all of the pay and benefits changes under direction of the Board. The budget increase of 3.7% in 1998 was primarily due to added personnel, specifically our assuming full cost of the policeman originally funded by the COPS FAST grant, the hiring of both a Firefighter/EMT/Clerk and our Town Administrator. With the help of our Administrator, the Town portion of the tax rate went down.

In 1998 we have seen greater improvement in the budget preparation process. The dozens of meetings with the Selectmen, Budget Committee and Department Heads have been reduced to just a few. Thanks to Mr. Weber, we have managed to increase the efficiency of operations and improve employee benefits while keeping the costs to a minimum. One example of this is our police

cruisers. In the past, we bought a new cruiser every year; last year it cost \$22,000. This year, we will send the oldest cruiser to Michigan where it will be refurbished. It will be returned in less than a month with a factory warranty, and we will save \$8,000 in the process. Another example is health insurance. By careful review and making select changes to the plans offered, we are able to introduce dental insurance for our employees in 1999.

We continue to make improvements in the area of personnel also. Our personnel policy manual is currently under review. In 1998 a performance review system was implemented and it is working well. In the 1999 budget, and for the first time, pay increases will be based primarily on these performance reviews. The better one's performance, the better one's pay increase will be. This is but one of the things we are initiating to motivate employees desire to improve performance. Another item is the implementation of a stipend to employees that choose not to participate in the Town's health insurance program. This stipend is paid only if the employee is covered by other health insurance and will save the Town a significant portion of the cost we would otherwise incur.

There were significant changes in the employee roster this past year. Mrs. Jeanne Cunningham, Administrative Assistant, left us in May of 1998 after 8 years of hard and sometimes frustrating work for the Board of Selectmen. Her devotion to the Town of Rindge will surely be missed. Mr. Scott Ellis resigned as our Fire Chief / Building & Fire Safety Inspector. Mr. Ellis was a member of our Volunteer Fire Department for 10 years and was our Building & Fire Safety Inspector for 5 years. He came with a sense of commitment and civility and leaves with the respect of all of us that he worked with.

Ms. Tara Belliveau, Recreation Director, and Mr. Stephen Tower, Highway Department, became engaged to be married and moved to North Woodstock. We wish them happiness in their future together.

As some employees move on to new places, others come to take their place. In addition to Mr. Weber, we welcome Mr. Todd Souza as our new Recreation Director. We also extend the same welcome to Mr. Todd Parsons and Mr. Ian Donovan, who are new officers in the Rindge Police Department.

One position that remains unfilled as of this writing is the Director of Public and Life Safety, a new position that replaces the Fire Chief / Building Inspector function. The change in title reflects the increased qualifications necessary to manage the growth in the Fire, Life Safety and Inspection functions. A citizen committee was formed to help us review the 27 applicants and narrow the selection to a more manageable number to interview. Two applicants stood out from the rest and offers were eventually made to both. In the end, both declined to accept for personal or health reasons. We will review the applicant pool, including those that came after the original deadline, and resume the process. It is critical that we take the time to do a good job of filling this position as the Director will face a tough job in increasing the low membership of our Volunteer Fire Department and streamlining our permitting and inspection processes.

From this point, we look forward to more progress in the coming year. We have already started by detailing of a list of topics to be addressed along with a tentative timetable. While our immediate focus will be on filling the Director of Public and Life Safety position by the end of March, we will complete the ball fields at Wellington Park

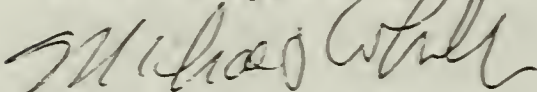

and continue to review personnel pay and benefits along with operations, policies and procedures. We will streamline and improve the operation where we can.

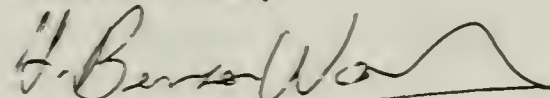

We will start new projects such as the Community Profile scheduled for April 30<sup>th</sup> and May 1<sup>st</sup>.

As we move into the next year, and the next century, we will continue to implement such changes as will improve the performance and efficiency with which we operate. As we reflect back on the past year, we realize in many cases, that it's a new day, and a new way to operate for the Town of Rindge. Rindge has experienced many changes this year and those changes make us look forward to the future.

## Report of the Town Administrator

I would like to thank you for the opportunity to serve this community as Rindge's first full-time Town Administrator. I have been here since June 15, 1998 and I would like to express my appreciation for the welcome my wife Amanda and I received since we arrived.

I know that some may look upon this transition to Town Administrator as a rocky and difficult road, but transitional power in government is never easy. In other nations, riots, uprisings, and even wars are fought over such things. Although it was not a "smooth" transition for Rindge to have a Town Administrator, Rindge remained committed to the concept, even when the details did not work out perfectly.

Recently, the Board of Selectmen have tasked me with many new priorities that include taking a hard look at all municipal buildings, the budget process, a bottom up review of pay and benefits, the MRI report, and the day-to-day operation of the Town. I am looking forward to finding ways to improve and streamline the way we do business.

By taking a new approach to the budget this year, we have been able to improve the level of information given to the Board of Selectmen, Budget

Advisory Committee and each department head. By being creative, we were able to absorb many increases with a minor increase in the budget. I wanted to thank the Board of Selectmen for allowing me to be creative; the Budget Advisory Committee for asking many questions (that helped find alternative solutions); and each and every department head for not only letting me into their operation, but also working with me to change it for the better.

Remember the words of Thomas Edison when he stated, "If there is a better solution...Find It."

I look forward to the Community Profile on April 30<sup>th</sup> and May 1<sup>st</sup> when the Citizen's of Rindge have the opportunity to participate in a community wide assessment of what is important to them. Rarely are there such opportunities for this level of public involvement. If you are interested in participating, please contact the Town Office and I hope to see you there.

Respectfully Submitted,

Carl E. Weber  
Town Administrator

## Building Report

As the Selectmen have indicated, Rindge has experienced many changes in 1998 and together, we are changing the way we do business on behalf of the residents of Rindge. 1998 was a year of significant renovation to the Town Hall (a new Steeple) and the Horse Sheds, but represents the beginning of a new focus on all of the Town buildings. This new focus is a continuance of the what has already occurred since 1995, when Rindge voters approved many building projects.

To review, in 1995, the Town spent \$111,031.86 from surplus to enlarge and renovate the Town Offices; raised and appropriated \$2,826.32 to replace doors at the Fire Station and \$13,420 to paint the belfry of the Town Hall and gold leaf the numbers and hands of the clock; and voted \$3,180.6 from capital reserve to hire an architect and consultant for the library addition project.

In 1996, the trend continued with a vote to raise and appropriate \$20,316.91 for repairs to the Town Hall: replacing the handicapped door, ceiling tiles, overhead lights, and refinishing the interior. This year also was the first year that \$100,000 was placed in Capital Reserve since the Block Grant was not awarded to Rindge.

In 1997, \$36,982.94 was withdrawn from Capital Reserve to improve the Fire Station that included replacing the septic, the well, heating systems, and installing a shower and an ADA bathroom, and an additional

\$100,000 was placed in Capital Reserve for the Library Renovation.

And in 1998, \$100,000 was voted from surplus to be placed into Capital Reserve for the Library Renovation project; \$72,673 was withdrawn from Capital Reserve to remove and replace the Town Hall Steeple and pillow blocks. An additional \$59,335 was used from surplus for historically correct renovations to the Horse Sheds, and \$18,445 was also used from surplus for the bullet-proof glass at the Town Offices.

It becomes clear that our buildings have needed significant investments over the years, and we need a comprehensive strategy to address the future. I recently convened a building committee consisting of all department heads to develop a plan to address all of the Town's building needs. We began this year by encumbering some funds to address issues brought forth during our recent Fire Marshal's inspections. We will continue to research and develop solid options for the future that address repairs, ongoing maintenance, as well as potential expansion and construction.

## Report of the Budget Advisory Committee

The Budget Advisory Committee is pleased to report on a number of positive steps that have taken place which are the direct result of the actions of you, the voters.

This year's budget process was the most efficient experienced by the Budget Advisory Committee in many years. Fewer meetings that were crisp and focused replaced long, tiring and, many times, disorganized budget meetings. Budget information was well organized and presented. Questions were answered expeditiously. Detailed data about budget surplus were collected and presented for the first time that paves the way for more in-depth analysis of this important issue in the future. The whole process was simplified into a productive endeavor that saved hours for all parties associated with it.

This year's process was so different from the past because Rindge now has a professional Town Administrator and the Selectmen are allowing him do his job. The difference is pronounced. What led to this was the vote at Town Meeting a few years ago for an analysis of the Town's administrative operations. This resulted in the MRI Report that eventually led to the decision to seek and hire a professional administrator. After a rough start, the Town is now headed in the right direction. Serious efforts are being made to find more efficient and cost-saving methods to operate which will save the tax dollars in the future.

There are a few areas however, that still need attention.

The Town needs to revise its Capital Improvement Plan (CIP). Last year, this committee highlighted the need for an

updated version of this document. We are very disappointed that the Planning Board has taken no action on it. It is critically important to update this document as it is regularly referenced in budget discussions. The present document is outdated and a lot has happened since it was developed. If the Town is going to have an organized way to plan its finances and operations in the future, it must have an up-to-date, working CIP for this purpose. By State regulations, the Planning Board is charged with the responsibility for developing, proposing and maintaining this important document. It is time for the Planning Board to recognize its responsibilities for this document and to take a leadership role in updating it. Much depends on that Board's efforts. The Budget Advisory Committee encourages the Planning Board members to convene a group to start organizing the work that needs to be done. We encourage voters to voice their concern on this subject.

Another item, also mentioned in our report last year, is still valid. Our Town government needs to go forward with the implementation of the MRI Report. We have heard positive statements from the Selectmen and the Town Administrator about reviewing and implementing the MRI report. We encourage and expect them to follow through on those comments.

As mentioned earlier, the Budget Advisory Committee experienced positive efforts on the part of the Selectmen and Town Administrator to get at and provide data about budget surpluses. This is an encouraging sign. As we collect and analyze that information over a period of time, the Town will be better able to build even more realistic budgets in the future. Even with the

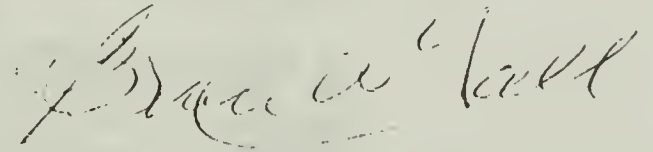

small use of surplus funds in this year's budget, the Town basically has met the 5%-10% surplus reserve that the Town Auditors recommended a few years ago. We reiterate what we said last year that "the surplus was never intended to be a savings' account for special town projects." We owe it to the taxpayers to be fiscally responsible and to budget for what the Town needs to maintain sound governmental operations.

We are encouraged by the efforts that the Selectmen and Town Administrator are making to mail the Town's Annual Report to all taxpayers. We expect that this will bear fruit in the coming year.

Finally, we encourage Rindge residents to become more actively involved in the budget process and in Town government. We encourage residents to stand for election to the Budget Advisory Committee and other positions. The Budget Advisory Committee is a particularly good

experience for anyone who might consider running for Selectmen in the future. In this position, you learn firsthand about the major financial issues confronting the Town and ways to deal with them. It is an opportunity to offer suggestions and learn more about Town government before taking on the more substantive role of Selectman. Try it. You'll like it.

Budget Advisory Committee

### INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying general purpose financial statements of the Town of Rindge, New Hampshire, as of December 31, 1997 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rindge, New Hampshire, as of December 31, 1997 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Rindge, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

## Report of the Planning Board

This year the Board held nineteen formal hearings and several work meetings. During those meetings, four major and twelve minor site plans applications were approved. Also approved were five minor subdivisions, five technical subdivisions, one excavation and three land mergers.

All zoning change proposals were adopted by the voters at town meeting in March. One change allowed Churches in the Residential & Residential-Agricultural Districts. The Monadnock Bible Baptist Church took advantage of this opportunity and will be opening a church on Davis Crossing Road in the near future.

The Shoreland Protection Ordinance was repealed in March and the Town will defer to the State's Ordinance. A law suit, brought against the town, was withdrawn after the Superior Court found that the Town's Shoreland Protection Ordinance had been properly adopted and was legally in effect when the plaintive was cited for violations of the Ordinance.

Katie Duffy was re-elected to a three year term and Mike Kundert was elected to fill out the remainder of a vacated seat for one year. Currently there is one permanent position that has not been filled and five alternate positions remain available for anyone interested in serving on the Board.

Hannaford Brothers supermarket opened their doors in March. Three auto dealerships were approved, one on Rand Road at Stenerson's, one at VanDyke's on Route 202 and the other next to the new "Boat Store" also located on Route 202 near the Jaffrey line.

Atlas Advanced Pyrotechnics, withdrew their application proposing to locate their storage facility in East Rindge on the "Boardwalk" property on Route 119. After several hearings on the matter with expressed concerns from the abutters Atlas decided the area may not be the ideal spot for this business. Atlas did however open a retail business in the former Savvas Restaurant on Route 202, selling class B fireworks.

In June a "Special Town Meeting" was held to adopt the Floodplain Ordinance required by the Federal Emergency Management Agency. Although the Board was not completely satisfied with the mapping, FEMA officials did agree to review the data and is currently in that process. The Town is now an active participant in the NFIP and flood insurance is available for owners of property in the Floodplain Districts.

Rindge's first fast food restaurant, Kentucky Fried Chicken/Taco Bell, was approved in September. This is expected to be built across from Wal-Mart on Route 202 in early spring of 1999.

Famm Steel has gone forward with plans to enclose the crane bays, Class Act Auto on Lisa Drive expanded with a new storage facility and Hidden Hills is planning to construct a courtyard for outdoor functions.

Franklin Pierce College expanded their dormitory facilities with a 120 bed resident hall and added temporary modular units for an additional 60 students. The College also constructed a multi-purpose room to be used as a chapel and to hold performances by the music department.

A special committee was formed this year to study the impact that Franklin Pierce College

has on the community. It is comprised of several town and college department heads and has developed into a valuable communicative tool between our two institutions. The focus of this study has also been directed toward a more cooperative effort to improve relations between the college population, business community and residents of the Town.

The Planning Board initiated the Master Plan update, as currently it is 10 years old. Several sections have been discussed and an upcoming "Community Profile" project should provide much needed resident input for the focus of long range planning goals for Rindge's development.

The Budget, once again finds little room for supporting any major projects, and membership in regional planning commissions is unfavorable to both the Selectmen's office as well as the Planning

Board. To this sentiment the Board will be making every effort to achieve its goals from within the Department.

The Planning Board recognizes its Assistant, Sharon O'Keefe, as a valuable asset to the department as well as the town and members of the general public. Her service of 10 years is commendable in today's transient job market. Thank to you Sharon!

The Board looks forward to working with its Selectman Ex-Officio member and the new energetic Town Administrator, whose resourceful ideas will no doubt benefit Rindge's long range planning strategies.

Public attendance at public hearings and work meetings is encouraged and new membership on the Board is welcomed. A well rounded cross section of Rindge's residents is vital to the Board's perspective.

Respectfully submitted,

John Vorfeld, Chairman

## Report of the Board of Adjustment

The Board of Adjustment is made up of appointed Town's people to hear appeals of property owners who want relief from the restrictions of the zoning ordinances. Many times applicants wish to build an extension to their house that was built when setbacks were less. These are granted through means of a Special Exception. However, those applicants who wish to do something on their property that is totally against the ordinance are usually denied unless there is a hardship. Meetings are held on the fourth Tuesday of the month. Applications are obtained at the Town Offices and are due back there by the second Tuesday of the month.

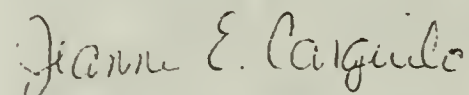

The Board met 11 times during 1998 including one site visit. They were presented with 27 requests. Most requests were for adding onto an existing building (Special Exceptions). All 10 requests were granted. Two other requests for a small home business were granted, as well as a new church, a business in the Business-Light Industry District, an expansion of a business in the Residential-Agricultural District, and a creation of an apartment in a house.

The Board also issued two building permits on non-town maintained roads, but denied 5 Variances including a business in the Residential-Agricultural District. Two

denied requests were then granted when the applicants better met the zoning guidelines. One applicant withdrew when a better solution was found. Finally one request for minute corrections was granted.

Dennis Casey left the Board after serving for several years. Kathy Isakson replaced him. The Board is now made up of Norman May, Chairman, Redvers White, Vice-Chairman, Richard Mellor, Philip Stenersen, and Paula Sumner as regular members. Kathy Isakson is an alternate and Jeanne Carguilo is the Board's secretary.

## Report of the Conservation Commission

The Rindge Conservation Commission (CC) monitors and protects the natural resources of Rindge. Its members review dredge & fill applications and make recommendations to the Rindge Board of Adjustment, Planning Board, Selectmen, and the NH Department of Environmental Services.

It has been a very busy year for the CC. Along with the 12 regular meetings, we conducted 18 site reviews. Additionally, we reviewed 6 State Dredge & Fill Permit Applications and investigated 8 environmental complaints which revealed 5 violations. Members also attended 6 workshops and association meetings, sharing information in both directions. At the State's request, we searched 3 specific wetland areas of town for the relatively rare Black Gum tree. While some were found, they were not in the concentrations sought by this survey project. We sent out a town-wide mailing which contained Environmental Fact Sheets and a map of conservation points of interest. The community responded favorably and a similar effort may be repeated in the future.

In August, we had a dedication ceremony for the Miriam Hunt Memorial Forest where we unveiled our new sign. The 50 or so people who attended, heard speeches from the Monadnock Conservancy, members of her family and several of her former students. Subsequently, the CC spent 9 Sunday afternoons establishing a trail network. We were joined on 3 occasions by Rindge Girl Scouts (Troop 141) and other volunteers pitched in as well. During this time we discerned signs of fairly regular and appropriate use. Matthew Robblee, studied the lot for a UNH course and presented us with a Forest Management Plan and Melissa Diven, an Antioch NE Graduate student, has done a canopy study from which we expect a report soon. This forest is a fine educational resource

and it was gratifying to witness this level of public awareness. We anticipate continued growth of its utilization.

Similarly, significant appropriate use was in evidence at the Town Forest on Old Danforth Rd. While access via this class VI road is difficult, vehicle tracks were evident at the entrance and several trails on this 20 acre parcel were well traveled. It was unfortunate that our third sign, freshly hung this summer, disappeared but otherwise, no vandalism was apparent.

We spent a considerable amount of energy looking at possible sources of funding for future land acquisition and protection. There are Federal and State funds which are anticipated to become available within a year or two which would require a matching contribution in cash and/or resource value. So a prior accumulation of funds in anticipation seems prudent planning as opposed to a last minute appropriation effort should some desirable asset become available. We are continuing with our mandate to ascertain areas worthy of protection to maintain the quality of our community's environmental heritage into the new millennium.

The CC meets on the 4th Wednesday of each month at 7 PM at the Town Office Building. Interested public is invited and encouraged to attend and become involved with our efforts.

## Report of the Highway Department

One fifth of the United States gross national product is directly related to transportation. It plays a critical role in our daily lives. Town roads play a key role in this large picture. As citizens you travel our roads each day for work, school, household duties or play.

Over the last several years I have conducted limited traffic studies on several town roads. These numbers are rising. We have a couple of roads with counts exceeding two thousand cars per day. Resources must keep pace with the increasing demands, and services must respond to the increased needs.

The Highway Department is **not** considered an emergency service in the same breath with our Police or Fire Departments. They, however need decent roads to reach their goals. It is our responsibility to continue improving our road structures for the safety of all.

I have found during my past two and one half years in Rindge, Selectmen and now our Town Administrator show willingness to plan for the future. We are planning and not just reacting. That concept is a pleasant environment to work in.

The previous list represents more than seven thousand yards of material moved with town trucks and equipment.

### *Employees*

Four employees left our department during the past year. Stephen Tower, Richard Peterson, Larry Harris and Daniel Jewell. We wish them all well in their future employment.

I wish to welcome the following new employees, Richard Cloutier, Steven Gendron, and Andy Dube. Each new employee has already shown what an asset they are to the Town of Rindge.

The Swap Shop at the Transfer Station has had three very dedicated volunteers this year, Marlene Davis, Sue Gravel, and Sharon LeBlanc. When you walk into the room, look at how organized it is, these ladies work many long hours. Thank you for all of your hard work! If you have some spare time, we are always looking for new volunteers. Stop in and let us know.

### *The Transfer Station*

The most direct tax dollar savings for town residents is your transfer station. Each item you recycle, each item that never reaches the solid waste compactor is a tax savings. Employees will instruct you in what can and can't be recycled. They will show you where each station is located. You, as taxpayers spend \$74.75 dollars per ton to throw things away. In five years since we began recycling, our budget has decreased almost \$60,000 thanks to your efforts. Lets

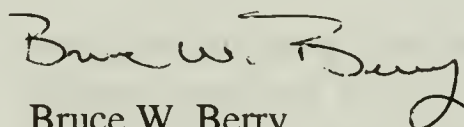

keep up the good work and see what the next five years bring!!! Recycling brings revenue back to Rindge. You, the citizens of Rindge are in control, recycling saves tax dollars! We threw out almost 700 ton of waste this year.

Household hazardous waste day continues to be a success. From your surveys, which we are required to do for Department of Environmental Services (D.E.S.) you wish to continue this program in town. This was my second year hosting this event. We try to plan this for each June. The Transfer Station, by law, can only accept motor oil as a household hazardous waste (HHW) during the year. What is a Hazardous Waste? Ask the attendants if you have questions, are unsure about other items, or consult the brochures on HHW when you recycle. The 1999 HHW day is scheduled for June 12, from 10:00 AM to 2:00 PM.

### *To the other departments*

I want to thank the other departments and boards for their cooperation during this past year.

Respectfully Submitted,

  
Bruce W. Berry  
Road Agent

(A Detailed list of Offenses is available at the Police Department)

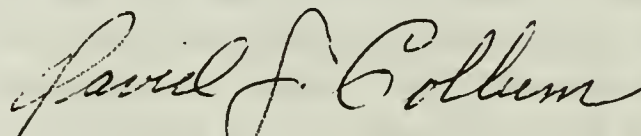

The foremost responsibility of any society is to nurture and protect its children. The most serious threat to the health and well-being of our children is drug (including alcohol) abuse.

Drug use impairs memory, alertness, and achievement. Drugs erode the capacity of students to perform in school, to think and act responsibly and the consequences of using drugs can last a lifetime.

No one can be a good citizen alone. No one is going to solve our drug problem alone, either. But when parents, schools, religious organizations and communities pull together, drugs can be stopped.

Knowing the dangers of drugs is not enough. Each of us must also act to prevent the sale and use of drugs. We must work to see that drug use is not tolerated in our homes, in our schools, or in our community. Because of drugs, children are failing, suffering, and dying. We have to get tough and we have to do it now. Together, we can make a difference.

Respectfully Submitted,

David J. Collum, Chief  
Rindge Police Department

## Report of the Fire Department

The Rindge Fire Department, in the reporting period, responded to 306 emergency calls. Of these calls, 179 were emergency medical calls, 127 fire calls, 14 structure fires and 16 other type calls. This total figure represents a decrease by two calls from last year; however, fire emergencies increased by 24 calls. It is expected that these numbers will reach previous figures or more in the coming year.

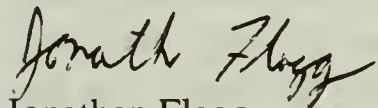

Since the absence of a chief for the better part of this reporting period, the department has been faced with many setbacks. But thanks to the paved road that

was set before us, we, with the help of all the members have overcome the many obstacles.

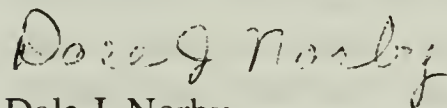

Membership has stabilized and training continues to be of utmost importance in order to provide professional services to the Town.

A major accomplishment this reporting period was the ability to purchase extrication tools known as the "Jaws of Life." At this time we would like to take the opportunity to thank those of you who answered the Fire Fighters Association annual appeal letter and made this purchase possible.

Respectfully submitted,

Jonathan Flagg  
Acting Chief/Fire Ward

Dale J. Norby  
EMS Lieutenant / Fire Ward

## Report of the Building and Fire Safety Department

1998 continued as another in a series of very busy years for the Town Of Rindge. This year we issued 95 building permits and 106 sub permits, generating \$21,414.00 in revenues for the town.

Residential building continues to occupy the majority of our time with 18 permits for new homes issued. 1998 also saw a number of seasonal homes converted to year round residence and many home owners adding on garages or large additions.

On the commercial side of the house we issued 16 permits for new construction or renovations. Some of the larger projects were a 129 bed dormitory, a multipurpose room addition and sprinkler system retrofit on the campus of Franklin Pierce College. Atlas Fireworks transformed the former Savvas Restaurant into a retail store and Famm Steel began work on a building to enclose a crane and an addition to the building. Hannaford Brothers occupied its new store as did Monadnock Boat Store and Trans Tech Performance expanded its operation this year.

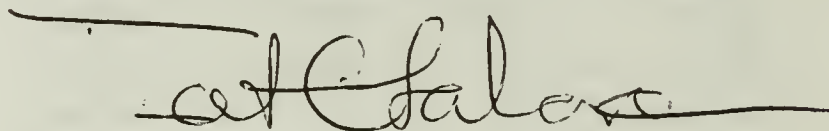

1999 shows no sign of slowing down as we look forward to what is ahead. Taco Bell/Kentucky Fried Chicken is slated to occupy the property across from Wal-Mart on Route 202. Fanelli Entertainment has approval to build a facility on Route 119

near Heritage Drive and Monadnock Bible Baptist Church plans to build it's new home on land off Davis Crossing. Contractors I speak with on a daily basis continually tell me how busy they are and that they have work scheduled well into the year.

This year we will be looking at the way we do business and how we can better serve the community and the contractors that work here. By the time you read this report we hope to have a new department head who can offer a fresh look at the community and make the changes necessary to improve the service you receive.

I would like to thank all of the residents and business owners of Rindge for being patient and understanding while we transition through this tough time. I hope that I have been able to meet all your building and fire safety inspection needs and that I will be able to work to improve the service you receive. I would also like to thank the various boards and organizations in Rindge for their continuing support in 1998.

Respectfully Submitted,

Timothy C. Labonte  
Firefighter/EMT/Clerk

## Report of the Recreation Department

The year 1998 has brought many changes to the Rindge Recreation Department, but with the dedication of the recreation committee, program directors and community volunteers it has continued to serve the Town of Rindge at the highest level and with the deepest dedication. The year that brought vast improvements to Wellington Field and programs, also brought the departure of Director Tara Belliveau. Her ideas and enthusiasm are felt in each of her accomplishments.

The Rindge Recreation Department's goal is to offer a variety of quality programs to meet the needs of community members of all ages. Having quality facilities, a strong group of volunteers and a little dedication will ensure that this goal is reached year in and year out. Our programs are growing in number every year, youth athletics participation is up 15%, holiday events are attracting more people each year, and adult programs continue to grow and be added.

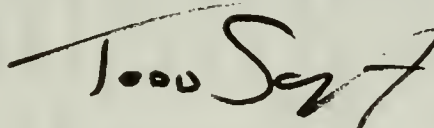

Wellington field continues to be improved. This great facility received new surfacing on the tennis and basketball courts. The Highway Department has once again done an excellent job keeping Wellington green and looking great. The Recreation Department has taken a long look at Wellington and has mapped out more improvements for 1999. One improvement is the continued work on the New Fields.

With the clearing and stumping portion of the project finished, we are now planning the remaining stages of this project. Wellington field should be used by all, this facility is a compliment to the community.

The Rindge Recreation Department would like to acknowledge all of the volunteers, sponsors, and local organizations that continue to support our programs. Without their generous donations our programs would not be what they are today, for this we thank you.

We look forward to providing you with quality programs now, and into the future!

Respectfully submitted,

Todd Souza  
Recreation Director

## Report of the Ingalls Memorial Library

As always our volunteers are an important part of our library and we wish to thank them. They are: Don and Marcy Anderson, Joan Bray, Rose Dark, Betsy Harper, Flossie Hastings, Eva Hornak, Kathy Isakson, Priscilla Leslie, Nancy Little, Norm May, Barbara Walsh, Margie Wetherbee, Joan Williams, and new this year is Alice Nagahiro, plus our student volunteers from Franklin Pierce College. and local schools.

Another group that helps out at the library is the Woman's Club. They provide the flowers in the spring for our flower urns and they decorate for the holidays before our Annual Open House, the second Tuesday of December. They do a wonderful job.

Many patrons enjoyed using our Internet service that we have had for a full year. Next year we hope to add more CD-ROMS to be used on a separate computer we just set up just for this and other computer applications such as Microsoft Works. The computer was donated by Jim Leger and the monitor purchased by our Friends of the Library group. Over the last few years computers have

become very important to the public as well as to the staff at public libraries.

## Ingalls Memorial Library Report of the Trustees

During the past year we have been able to operate a useful and efficient Library. We continue to explore ways to enhance the Library along with planning for the future. The Building Committee has met with our Architects to review past cost estimates and as expected they have gone up. Each year the Trustees submit a warrant article requesting money be set aside in Capital Reserve for future growth. We continue to ask the support of our Rindge residents to accomplish this. During the year the Library Policies were reviewed and brought in line with the NH Public Library Standards. Meetings were held with the Town Administrator to discuss maintenance of the building and grounds and the budget process. The Friends continue to

be an important part in supporting the Library. Meetings are held on the second Tuesday of each month, with excellent guest speakers. They also hold work meetings to perform additional tasks not covered by normal maintenance. This year the Friends purchased a Monitor for the CD-ROM computer along with a pass for the New England Aquarium.

Respectfully submitted,

## Report of the History Committee

The Rindge History Committee has had another busy year.

We continue to hear from people all over the country who are anxious to know about their Rindge ancestors. In this regard, a great deal of genealogical research is ongoing. We are pleased to announce that we have been able to provide a wealth of information to many, including photographs of ancestral homesteads and other pertinent information. Although this is an arduous task we receive many grateful thanks from those we are able to help.

We also continue to gather information on the numerous old houses in Rindge. So far we've managed to research and catalog a hundred houses, but there are many, many more awaiting our attention. Our services to those who own antique homes include on site evaluations, as well as historical research.

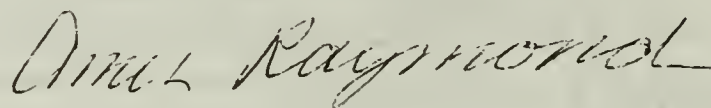

Committee member, Linda Bussiere, continues to aid Town Clerk, Carol Donovan, in sorting out the contents of the old vault. Unfortunately, no treasures such as the Town Charter and the Masonic Charter found last year, have been uncovered.

The Committee has received several items this past year. These include old pictures of historic buildings no longer standing, old journals, etc. These wonderful artifacts give a visual concept to our Town's history and have been turned over to the Rindge Historical Society for public display.

Our annual Civil War program for the fifth graders at the Rindge Memorial School is scheduled for February. Civil War re-enactors from all over the state participate. Unfortunately, last year's program was canceled twice last year due to bad weather. We hope we have better luck this year as this long standing program has been a huge success.

The best news has been saved for last. The Rindge History Committee and the Rindge Historical Society will be sponsoring a weekend of living on Rindge Common. Revolutionary War re-enactors from Capt. Samuel Cherry's Light Infantry Co. will be bivouacking there on Saturday, June 12th and Sunday, June 13th. The re-enactors will set up and display an accurate portrayal of life in an 18th century army camp.

Capt. Samuel Cherry served under Col. Enoch Hale of Rindge during the Revolution and Rindge is an ideal site for this program. The Rindge Museum will be open featuring 18th century artisans and a fife and drum band. Mark your calendars and join the fun!

# HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES REPORT TO THE TOWN OF RINDGE JANUARY 1, 1998 TO DECEMBER 31, 1998

## ANNUAL REPORT

In 1998, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Rindge. The following information represents a projection of HCS's activities in

your community in 1998. The projection is based on actual services provided from January through September 1998 and an estimate of usage during October, November and December.

### SERVICE REPORT

#### SERVICES OFFERED

#### SERVICES PROVIDED

Nursing	736 Visits	
Child Health Nursing	0	Visits
Physical Therapy	65	Visits
Speech Pathology	0	Visits
Occupational Therapy	3	Visits
Medical Social Work	21	Visits
Outreach	9	Visits
Nutritionist	0	Visits
Home & Community Based Services*	1,687 Hours	
Home Health Aide	1,297	Visits

Health Promotion Clinics	12	Clinics
Meals-On-Wheels	2,159	Meals

Total Unduplicated Residents Served: 137

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

\*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

### FINANCIAL REPORT

The actual cost of all services provided in 1998 with all funding sources is projected to be \$182,909.00.

For 1999, we request an appropriation of \$9,000.00 to continue to be available for home care service.

The total cost of service provided for a partial fee, or at no charge to residents in 1998 is projected to be \$182,909.00.

Thank you for your consideration.
